**Title - Chasing Shadows**

**Logline** - "In the heart of Mumbai, a CBI officer and a Police Inspector must confront their own shadows as they chase down a serial killer, unraveling a web of darkness and deception in 'Chasing Shadows'."

**Synopsis**

In the bustling streets of Mumbai, a series of gruesome murders sends shockwaves through the city. Despite the best efforts of the local police force, the elusive killer remains at large, leaving a trail of fear and confusion in their wake. Faced with mounting pressure, the case is transferred to the Central Bureau of Investigation (CBI) in hopes of finally bringing the perpetrator to justice.

Led by a determined female officer and accompanied by a seasoned Police Inspector (PI), the CBI launches a relentless investigation into the chilling murders. As they painstakingly unravel the patterns behind the killings, they uncover a disturbing truth - the killer suffers from bipolar disorder and strikes only under the cover of darkness.

Driven by their quest for answers, the CBI officer and the PI race against time to decipher the cryptic clues and anticipate the next move of the elusive murderer. With each revelation, they come face to face with the chilling realization that the victims were all young girls who had wronged their boyfriends in some way.

However, as the investigation deepens, the PI makes a shocking discovery - he himself is the killer they've been hunting. Consumed by guilt and desperation, he attempts to erase all evidence of his involvement, even as he grapples with his own demons.

In a heart-stopping climax, the PI's past comes back to haunt him when he encounters his ex-girlfriend, the very person who had betrayed him. In a desperate bid to silence her and maintain his facade, he lures her into a deadly trap. But before he can carry out his sinister plan, she confronts him with the truth, leading to a dramatic showdown with the CBI officer arriving just in time to thwart his deadly intentions.

Through the twists and turns of this gripping tale, "Chasing Shadows" explores the depths of human darkness and the harrowing journey of self-discovery, reminding us that sometimes the greatest adversary we face is the one staring back at us from the mirror.
